

Private Detective

1. One player is the **thief**. One or more players are the **detectives**.
2. Choose a small object (a paper clip, a key, a wine gum etc.) 
3. Agree on an office (the couch or a chair.)
4. The thief hides the object in or behind something (it is not allowed to cover it completely.)
5. Now it is time to call the detectives.

- When a detective finds the hidden object, the detective returns to his/her office. (Don't say where it is!)
- Game Over - when the last detective has found the object.
- The detective who was the first one to find the object is now the thief.
